RE: Request for Interview—Iron Mines

Dear Mr Jensen:

Thank you for your call and suggestion on how to proceed with the recent issues surrounding what we refer to as the "iron mines" site.

As per your instructions, we are hereby formally requesting an interview with you and/or your supervisors or directors for the purpose of clarifying the issues involved in what you have categorized as a "mining" operation.

If it is convenient for you, would you please set up the interview to take place at your Salt Lake City office on next Tuesday, December 6, 2005 at 11:00 am if possible. It appears that would be acceptable to us, if it is for you. Please call and let us know.

Thank you for your help.

Sincerely,

Perco Rock

  
A. L. Barlow, Agent
